

CSfC Selections for Session Border Controllers

Session Border Controller products used in CSfC solutions shall be validated by NIAP/CCEVS or CCRA Partnering schemes as complying with the current requirements of NIAP's Protection Profile for Session Border Controllers. This validated compliance shall include the selectable requirements contained in this document.

CSfC selections for Session Border Controller evaluations:

At this time, the CSfC Program does not require any selectable requirements for Session Border Controllers.
